

This year the agents of SelEquity Real Estate voted to spend the year raising funds and awareness for Angel Flight West.

Angel Flight West was created by a group of pilots who believe in the benefit of volunteering. AFW strives to keep all aspects of the organization volunteer. A non-profit charitable organization of pilots, volunteers, and friends, Angel Flight West will arrange free air transportation for any legitimate, charitable, medically related need. This service is available to individuals, and health care organizations. AFW will also arrange transportation of those people who are financially distressed, or who are in a time critical, non-emergency situation due to their medical condition.

On behalf of Angel Flight West and the SelEquity Foundation, we would like to thank you for your much needed support and look forward to working with you to make this tournament a success.
